75 Tiffany & Co Jewellers EC3	.	.	-	. Royal Exchange	EC3			

WizAnn 2011 point sheet desig

This new design has been created to work in conjunction with the 5th generation WizAnn Bluebook Modules. These modules contain the most detailed and accurate ¼ mile radii to date. Our point sheets and weekly sheets now allow for back reference to these modules so when a point on this sheet carries a list and run number it will correspond with the equivalent radius map within the WizAnn Bluebook Runs.
