/Sadlier Dropped Points						

87 Canary Wharf Station Jubilee Line				-	. Upper Bank Street/Heron Quay/South Colonnade E14	

WizAnn 2011 point sheet design

This new design has been created to work in conjunction with the 5th generation WizAnn Bluebook Modules. These modules contain the most detailed and accurate ¼ mile radii to date. Our point sheets and weekly sheets now allow for back reference to these modules so when a point on this sheet carries a list and run number it will correspond with the equivalent radius map within the WizAnn Bluebook Runs.
